

SSN PRESIDENT MESSAGE

Greetings from the Society of Surgeons of Nepal (SSN)!

It is with great pleasure that I extend a warm welcome to the Indian Association of Gastrointestinal Endosurgeons (IAGES) for the upcoming South Asian Conference of IAGES & courses in Basic Laparoscopy, Advanced Hernia, and Endoscopy to be held in Kathmandu, Nepal, in Jan-Feb 2025.

We are honored to host such a prestigious event and are excited about the opportunities it brings for mutual learning and growth.

Your dedication to advancing laparoscopic surgery is truly commendable, and we are grateful for your efforts in organizing this event. It is our firm belief that this conference will not only enhance the skills and knowledge of our surgeons but also pave the way for a robust collaboration between our organizations.

We look forward to working together to advance laparoscopic surgery across South Asia, leveraging our combined expertise to improve surgical outcomes and patient care in the region.

Once again, welcome to Kathmandu and wish for the success of this conference. We are excited about the meaningful exchanges and lasting connections that will emerge from this conference.

Warm regards,

Dr Romeo Kansakar
President,
Society of Surgeons of Nepal (SSN)
